In their joint report the Inspector-General of Police, the Conservator of Forests and the Muzrai Superintendent have considered that the following measures are necessary to prevent the misuse of sandalwood supplied free by the Government to mutts and other Muzrai Institutions and for preventing the extensive smuggling of sandalwood on the frontier.

(*A*) *Prevention of smuggling*— (a) Establishment of outposts at five main outlets from the State *viz.*, Ultha Ghat, Agumbe Ghat, the Tura Ghat, the Mallur Ghat, and the Bhagvati Ghat with a detective staff consisting of one officer and three constables at each outlet.

(c) For the Kolar District, a special staff of two foresters and eight guards to be engaged for two years to enumerate all sandal trees in a strip of about 5 miles along the frontier taluks of Mulbagal, Malur, Bowringpet and Bagepalli, there being no necessity for a police patrol staff.

B. Prevention of misuse of sandalwood by Muzrai Institutions.— (a) The Muzrai Institutions should be required to apply for and take delivery of the wood before the end of February each year (Just after the commencement of the Pariyayam in the case of Udapi), failing which, the supply for that year should lapse to Government.
